+ Gender Neutral Restrooms in the residence halls are available to anyone with access to that hall as a resident or guest. The gender neutral restrooms in Fairhaven Stacks 2 and 3 are available to the public 9am-5pm M-F.

Gender Neutral Restrooms provide safe restroom access for people of all identities. They are also important for non-binary individuals for whom a gender-specific restroom is not a viable option. Everyone has the right to access gender-specific restrooms.

Western Washington University is an equal opportunity institution.
